Our Commitment to you our members

A solid commitment from this board and presidium to the membership base with the additional focus of:

1. The Youth, without them we are no more
2. Chefs of determination, how to really be inclusive “no party speeches”
3. Technology, without it we will be obsolete
4. The office must stand for another 100 years responsible & sustainability for WORLDCHEFS
5. Inclusive of all member countries for the many, not the few

Engage the many to enhance the many, the good work of 100 years will not be ignored, the past boards have set us all up for success

What we ask of the people

- Vote for yourselves and your association and members not for Andy
- Vote for what you want to make happen, vote for what you believe in
- Vote to be involved in planning the next 100 years
- Vote for the young ,inclusion for all and the next generation who are relying on us to set the stage for their future and success
- Vote to ensure our profession remains a proud one to be part of
- Vote to remain part of something great and trusted

**Passionate People from
diverse backgrounds**
